

# M003B

## Fabric Stiffness Tester

Fabric Stiffness Tester. To determine the bending height, flexural rigidity and bending modulus of fabrics by simple.

Specifications	M003B
Weight	3.6 kg
Dimensions	350x 150 x 200 mm (WxDxH)
Standards	ASTM D1388, BS 3356, DIN 53362, ERT 50-2

### M003B

■ To determine the bending height, flexural rigidity and bending modulus of fabrics by simple.
